

DEBNARAYAN SHIKSHA SANSTHAN (B.ED. & D.EL.ED COLLEGE)

Recognised by NCTE and Affiliated to BSAEU & WBBPE

(Run by Debnarayan Shiksha Sansthan)

ANNUAL REPORT

YEAR : 2023-2024

(B.Ed. & D.El.Ed.)

Welcome to Debnarayan Shiksha Sansthan (B.Ed. & D.El.Ed College)

About the college:

“THE PURPOSE OF EDUCATION IS TO MAKE GOOD HUMAN BEINGS WITH SKILL AND EXPERTISE...ENLIGHTENED HUMAN BEINGS CAN BE CREATED BY TEACHERS.”

A.P.J Abdul Kalam

Welcome to Debnarayan Shiksha Sansthan (B.Ed & D.El.Ed college). Debnarayan Shiksha Sansthan College under the society titled Debnarayan Shiksha Sansthan was established in the year 2013. The main aim & also the dream was to streamline the education career of today's young generation who are dreaming to lead their life in a challenging way to boost up their career in the national and also international arena. The general aim was to create a supportive & inclusive environment of teacher education, where gifted & talented students will engage themselves to explore their potentialities of teaching in the elementary, secondary & higher secondary schools. Our college has started its venture & is going to give an unparalleled experience beyond studies to our students as we follow the curriculum prescribed by affiliating university BSAEU& Board (WBBPE). The prospectus will reveal the present structure & objectives of our institute. We believe that our students will strictly maintain discipline, rules & regulations during the tenure of their courses. We assure the relentless efforts of our faculty members which will help to achieve best results of our students to the satisfaction of their guardians. Any constructive suggestions from them are always highly appreciated to expand our activities in the near future. We pray to almighty for a successful career of our all students.

Mission: Debnarayan Shiksha Sansthan B.Ed and D.El.Ed College aspires to offer quality teacher education to enlighten, emancipate and empower the student- teacher fraternity and foster lifelong learning.

Vision:

Debnarayan Shiksha Sansthan B.Ed and D.El.Ed College will undertake

- To prepare effective and commanding classroom teachers.
- To develop among would be teachers various skills of teaching in terms of competence and performance in interactive classroom teaching learning situations.
- To initiate would be teachers into the study of Education both as a discipline and a profession.
- To help would be teachers define role of teachers in a fast changing and developing Indian society.
- To acquaint would be teachers with modern trends and innovative practices in Teacher Education.
- To build up among would be teachers functional activities for exploiting strategies and being resourceful in teaching learning situations in which the school going adolescents live in and grow up.
- To educate would be teachers to be active facilitator of learning, manager of learning environment & organizer of reception, perception, conception and learner's cognition in interactive classroom situations.
- To imbibe in would be teachers, the fellow feeling, co-operative attitude, leadership qualities, research aptitude, National Spirit and qualities of Global Citizen.

- To acquaint would be teachers with organizational framework for various guidance services in schools or accessible to schools.
- To inculcate in would be teachers the spirit of empathy for the school going adolescents.
- To orient & train would be teachers in educational technology, information technology, computer literacy and various means of effective classroom teaching & learning.

Objectives:

The main objective of our college is to bring about the physical, social, cultural & ethical integration of an individual in order to achieve perfection and manifest that perfection as a human resource who can serve to his / her society or nation.

Apart from these objectives stated in the above paragraph, other general objectives of our college are ----

- To develop leadership skills
- To undertake broad educational projects by segregating the participants in to several teams
- To undertake community awareness programmes
- To promote character building & develop the feeling of national as well as international understanding.
- To help them to advance their knowledge in their chosen subject for the primary (D.El.Ed trainee) & the secondary school (B.Ed trainee) training
- To develop the inbuilt aptitude of teaching in would be teachers
- To build employment capability in students so that they can cope with the changing demand of the academic as well as technical atmosphere.

- To provide placement opportunity to students both in the public & private schools.
- To produces trained & skilled teachers.
- To make orientation of personality of the learners.
- To prepare dedicated teachers for improvement of the school education system in the country.
- To adopt modern techniques for teaching skill development

Annual Report (2023-2024)

The college started the academic session from 1st July 2023. Many co-curricular activities & competitions were held in the college for the upliftment of personality & knowledge of the students & teachers.

In this academic year 2023-2024 debnarayan shiksha sansthan (b.ed & D.El.Ed college) has successfully completed B.Ed course of 4th semester for the session of 2021-23 and 2ND & 3RD semester for the session 2022-24, and also continue 4th semester , session of 2022-24 & the starting of 1st semester, session of 2023-25 . As to D.El.Ed course the college has completed during this academic year 2nd year for the session 2018-20 and 1st year for the session 2019-21. Through the Induction Programme students are welcome for all the semester of B.ED and yearly of D.EL.ED department.

Besides teaching learning, the college also organize workshops , tutorials, and individual seminar presentation, awareness programme on PLO & CLO , Election awareness Programme & Pre-Internship workshop programme etc for the students to enhance the knowledge and development their teaching skills and grooming their personality.

Infrastructure & Learning Resource

We are committed to provide quality education and excellent teaching skills through innovative educational programmes with the objective to train, guide & prepare the students as qualified professionals in the field of teaching so that they may avail of good opportunities to secure employment in public & private sector.

So in that case, infrastructural facilities of college are important for providing appropriate academic environment compatible to the goal of the college. The college has built a modern infrastructure in the form of a four storied building for B.Ed. & D.El.Ed. Designed to have all the requisite facilities for healthy facilitation of desired academic orientation.

Library: One of the important part of the infrastructural facility is a well maintained library. The college possesses a well equipped library with all modern technology. In our college **KOHA** software is remaining in functioning mode offering immense help to both B.Ed & D.El.Ed learners. Both learners can access **CATALOGUE SEARCHING OVER INTERNET**. They can get many **E-Resources in our CLOUD LIBRARY**. They can access millions of networked library resources through **DELNET** from our college network.

In the current academic year 2023-2024 total number of books present in the library is 6327, total no of journals is. 46 total numbers of books issued to students and teachers is 4359. Total no of students availed of reading room facility is.....75..... Number of books added during this year is 75. Gifted by publishers books are 39 and buy 36 books.

Language Lab: The Lab provides a friendly environment for all college, students & staff wishing to engage in language learning. The lab is comprised of “Akriti”& Sanskrit text software’s for teach of Sanskrit for other languages Bengali & English a lot of word games, activity oriented language learning

games, charts & models are there. Avro software has been included for Bengali language learning.

In this lab the other facilities which are available here are-

- Wi-fi access.
- Students and Staff are subjected to instruction on how to make the most efficient use of the open learning facilities.
- LRC provides comfortable learning zone.
- LRC participants are enjoying the scope of selection of language learning audio CDs.

Science & Mathematics Lab: Students enrolled in biology, chemistry, mathematics or physics class at our college are encouraged to use science & Mathematics lab. Math lab is free to students and designed to help them succeed academically & gain confidence in their learning and teaching area.

The science lab possesses both physical & life science experimental materials and covers both empirical and core scientific study. The math lab has different blocks, 3D materials, Geometrical instruments & quiz items to facilitate learning.

Students may come to the Math & Science Resources centre as often as they like. Mentors are available at scheduled time to:

- Help prepare for quizzes and exams.
- Share tips and study strategies & help to gain self-confidence.
- Show trainees' divergent looks at several problems & offer alternate explanations

Social Science Lab: Laboratory is very essential for teaching social sciences. As social studies laboratory provides a quick and ready functional

environment which not merely provides theoretical but also practical knowledge. It provides a platform for students to share their presentations. It helps in creating and maintaining a much needed congenial atmosphere for effective learning. The permanent display of important maps, pictures and charts and constant reference to them by teaching is sure to make the teaching of social studies effective, lively and interesting.

Art and Craft Lab: The Art & craft lab of the college is aesthetically oriented consisting of all the material & apparatus to cultivate value of elegance in our students. This centre has been performing a great role in celebration of college programmes. The Art & Craft teachers of the college are employing their innovative mastermind to inculcate creativity in the classroom situation as per NCTE & UGC recommendation.

Materials available:

- Different types of paintings & clay modelling objects.
- Drawing board for students.
- Diya candle craft.
- Waste material craft.
- Cardboard/ paper cutting items.
- Wall hangings.
- Mud doll ,
- Wooden craft
- Paper mask
- Glass painting
- Collage
- Stitch work
- Fruit preservation item
- Book cover
- Woollen work

Student art gallery: An art gallery is a room in which visual art is displayed. The gallery has designated a gallery space on the second floor for exhibitions of student artwork. Art galleries best works are housed in art gallery.

Smart Classroom: A smart classroom with interactive white board facilitates the concept of blended learning. These classes are technologically sophisticated that enable effective teaching-learning as well as self learning opportunities compatible to twenty first century. Smart class technology allows our students to make audio-visual presentation including the use of images and video clippings collected from online internet facility. The most impotent factor of access to smart class is off course getting feedback from students and instant change of learning design accordingly.

Educational technology enable teaching aid is used in smart classrooms. Students of both the sections (B.Ed & D.El.Ed) enjoy power point presentation for removal of confusion and developing profound concept of complex topics.

Technological up-gradation:

Our ICT lab has potentiality to support 22 no of students at a time with the help of the central server. All computers are provided with internet server.

- Available facilities of ICT lab are used to deliver lesson in smart classroom through ppt.
- We have introduced Wi-Fi enabled campus so that the students can get in to touch with college website, uploaded video lesions and e-book content during their recess and off periods (if any). This Wi-Fi enable campus also assure the management of the college regarding elimination of any sort of
- Learning Management System (LMS) has been successfully introduced & regularly monitored by our faculties. The students who need study

assistant in their home are able to access revise the content delivered by the profession.

- Our two libraries is equipped with reference books, journals & six daily newspapers with the help of KOHA software both the libraries are digitalized.
- Teaching models using educational technology are used sometimes for making effective teaching.
- Language lab becomes a matter of everyday practical by the students for their language development.
- Last but not the least our institution is under CCTV surveillance

Development of Infrastructure:

The Infrastructure of a college plays a vital role in the development of the college as the students are now focussing on the labs, classrooms etc while selecting a college. It is important that the college have very good infrastructure with advanced laboratories equipped with state of the art equipment etc.

So in that situation to make our college able to effectively accommodate 150 students in B.Ed. & 50 students in D.El.Ed. We have upgraded our library & laboratories. Along with existing, classroom, male toilet, female toilet, multipurpose hall, office room, libraries, laboratories, fire Extinguisher, water cooler & purifier, Xerox machine, well maintained garden, the college society has under taken the construction of a multithread building with all amenities, including an equipped canteen.

Security & Surveillance with CCTV:

Recent years have seen an explosive expansion of new technologies for effective management of educational institutions and consequently CCTV

surveillance installed not only in the wider community, but also in training colleges. Although there has been much discussion devoted to these new technologies and their impact in general and as well as an educational phenomenon. Surveillance in colleges is only just beginning to receive media & academic attention. Our college has installed Closed Circuit Television cameras and screening technologies to cover the behaviour of all human being associated with the college. The college has future plan of other security measures. Chipped identity cards, bio-metric registers with finger print recognition and a well developed website for the use of the students.

So with this modern technology we are trying to modernize our college. All the class rooms, office rooms, Principal & HOD room, library, laboratories & corridors are under CCTV surveillance.

IQAC Cell

The College has an Internal Quality Assurance Cell established since 2017. The main aim of IQAC is planning, implementing and measuring the outcomes of academic and administrative performance of the college.

Functional Details:

Implementation of strategies, mechanisms and overall plan of action to reap optimal benefits of existing institutional resources and expertise.

Objectives:

- Transparency, clarity and focus on institutional functioning towards quality enhancement.
- Institutionalization of culture of quality by providing complied document of best practices.
- Internal institutional assessment via biannual/ annual internal quality assessment reports and holding of quarterly review meetings.

➤ Ensure:

- Enhanced decision-making processes to improve institutional functioning.
- Academic and administrative performance of the institution.
- Institutionalization of best practices.
- Academic and professional collaboration with national academic institutions, civil society and government agencies.

➤ Strategies:

- Ensuring timely, efficient and progressive performance of academic and administrative tasks
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching, learning and evaluation
- Ensuring the adequacy, maintenance and functioning of the support structure and services, like academic Infrastructure, halls of residence, sports facilities.

➤ Function:

- Looking after institution for quality-related activities, Publication, Citation, Innovation, Outreach Programs, Infrastructure
- Preparation of the Annual Quality Assurance Report (AQAR) for submission to NAAC
- Identification of quality benchmarks/parameters for various academic and administrative activities for development.
- Dissemination of information on various quality parameters of higher education to faculties.
- Organization of workshops, seminars on quality related themes.

- Development and maintenance of Institutional database for the purpose of maintaining the institutional quality.
- Facilitating the creation of a learner-centric environment and faculty development conducive for quality education.
- Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes.

Preparation of AQAR:

For the sake of NAAC accreditation, every educational institution has to prepare year-wise AQAR. The process of compilation has been taken up and both the departments are yet to supply complete information. Once it is done, the IQAC intends to prepare the AQAR for session 2023-2024.

Our Admirable Initiative

- Upgrade LMS system
- Expansion Initiative of the college building
- Upgrade data base of library books
- Organized ‘Student’s Personality Development Programme’ by the experienced faculties of the college.

Academic/Cultural/Extension Activities

Focus of Activities during the academic year 2023-24:

Being a sub-system of the socio-economic environment, the college always aligns its activities on a real-time basis to respond to the ever changing requisitions of the incumbents. Keeping parity with such vision, the activities undertaken by the college during academic year 2023-24 have been broadly categorised into the following areas:

- ✓ Faculty Development Programme.
- ✓ Student Emancipation Programme including co-curricular activities.
- ✓ Community Outreach Activities.
- ✓ Internship Programme.
- ✓ Workshop programme

- ✓ Seminar presentation
- ✓ Student induction programme
- ✓ Awareness programme

Student's Personality Development:-

The college has undertaken several measures to instigate the outlook of the students towards personality development during the academic year 2023-24.

The initiatives taken towards this perspective are mentioned below:

- Carrying out consequential assembly session with thought provoking ideas and congenial activities like meditation and yoga, thought of the day, national anthem which inculcates a feeling of national integration among them.
- In B.Ed. and D.El.Ed. Programme our college always try to develop the feeling of collaboration, sympathy, compassion, flexibility, dignity towards labour among the students through various activities.
- The students are provided with opportunities to interact with different strata of the society to gain understanding of their economic and cultural background. Such kind of interactions accelerated the soft skills of the students and helps them to overcome their mental blockage.

Students Emancipation Programmes including co-curricular activity:-

Our college provides myriads of opportunities to the students to discover and develop their creative and latent talents along with their academics. Various activities are organised with this objectives under the guidance of competent teachers and also with the co-operation and leadership of the college association.

To develop the histrionic talents our college organised various programme like celebrate Student's Week, Swami Vivekananda Birthday , Netaji Subhas Chandra Bose birthday, Republic Day celebration, Rabindranath Tagore Birth and Death anniversary, Fresher welcome, Basanta utsav, Independence Day, Teachers Day, Gandhi Jayanti, Sharod Utsav, Saraswati Puja, International Mother Language Day, Annual Sports Meet, World environmental Day etc. Our students display their singing, dancing, music and athletics talent through participation in the entire programmes. Besides, written opportunities are given to the students for participating in wall magazine

activity. They get chance to display their art and craft skills by way of decoration for various programmes. To develop physical and mental health of the students, training is given in sports and games, yoga and meditation.

During winter, picnic is another important activity for all students and staff of our college. This year on 31st January 2024 our college picnic was held at college premises in which many events were organised like dance and games.

Briksha Roapon:- On 5th June 2024 Our Debnarayan Shiksha Sansthan (B.Ed. & D.El.Ed.) college successfully completed the event of “Briksha Roapon” (afforestation) at our college garden ground. In the present day, the whole world is struggling with the problem of global warming and pollution is taking its toll on the health of the entire population of the world. We all know that the only solution to this problem is planting more and more trees to reduce the effect of green house gases.

To make its mark towards this effort, our students, following the guidance of the Teacher-in-charge, carried out several plantation programs to make positive impacts on environmental improvement and contributed to the society. During this program, our respected principal sir and HOD madam presented their view & opinions to enrich the knowledge of the students and to make them aware on this issue so that in future they can establish themselves as responsible citizens for the society.

Fresher’s Welcome: - Fresher welcome of B.Ed. and D.El.Ed students was conducted by B.Ed. and D.El.Ed senior students on 18th October 2023. The ceremony was held at our college hall room. The senior students of both the departments organised a cultural programme in which they presented many streams like cultural dance, drama, poetry, song and many more. Some of the new students also participated in the event and showed their wonderful talents. The newly admitted students were felicitated by the college and gifts & sweets were presented to the new comer students. The entire ceremony was a memorable event for both the students and teachers of the college.

Rabindra Prayan Divas:- Rabindra Prayan Divas is a day to commemorate the passing of Rabindranath Tagore. He was died on 7th August in 1941. We commemorate his 82 death anniversary In 2023, 8th August in our college. He is recognized as a Noble Laureate poet, composer, playwright,

painter and social reformer In the Bengali calendar, the 22nd day of the month ‘Shrabana’ is repented as a black day because on this day we lost our beloved “Gurudev” (Respected Rabindranath Tagore). On this day, the students and teachers of the college paid tribute to the renowned nobel laureate by performing “Rabindra Nritya” (dance), reciting his poems and presenting “Rabindra Sangeet” (music). Through these performances, the college made earnest efforts to render homage to our very own “Kabiguru”.

Independence Day Celebration:-The celebration of Independence day on 15th August, 2023 was a moment of pride and honour for the student and teachers of college. On this auspicious day, the college honoured the sacrifice made by the freedom fighters of our country. The event was commemorated by hoisting of the National Flag by the Secretary, Principal and HOD of the college and delivery of the speech by the HOD. This was followed by the presentation of patriotic songs and poems by the students. The ceremony was concluded by singing the National Anthem and distribution of sweets among the students & teachers.

Saraswati Puja :- This year the college celebrated “Saraswati Puja” on 14th February, 2024 with splendid arrangements. The students, teachers and staff of the college offered their ‘anjali” to the divine goddess of knowledge and prayed for her blessings and prosperity. The religious rituals were followed by merry get together with equally splendid cuisine.

Republic Day: - The College in keeping abreast with the sovereignty of the country celebrated the “Republic Day” on 26th January, 2024. The event commenced with the hoisting of our “Tri-colour” National Flag by our respected Secretary Sir, TIC and HOD madam. TIC of the college dad gave a speech on how republic day is important to India. The students sang a few patriotic songs and performed dance. On this propitious day, D.El.Ed wall magazine “Uttaran” was the inauguration which gained enormous response from the readers subsequently. The programme ended with the national anthem. The ceremony concluded with the distribution of sweets among the students.

Annual Sports Meet:- The infrequent Latin phrase “ *Mens sana in corpore sano*” which literally in English means “ sound mind in a sound body”, is a principal which our college vehemently believes and always tries to inculcate this motto among the students of the college. College arranged the Annual sports meet on 26th & 27th December, 2023. The response to such sports meet

was undoubtedly evident from the participation made by the students and staff of the college which culminated to nearly 20 events. The sports meet commenced with a disciplined march past and breathtaking marshal race. The winners of the sports meet were felicitated with medals and certificates.

International Language Day: - International mother language day is a worldwide annual observance held on 21st February to promote awareness of linguistic and cultural diversity and to promote multilingualism. Our college students organised a cultural programme at hall room, the programme started with ‘ Pradip Projjolon’. Our principal sir and HOD madam was invited to the dice to say few words, he focused on historical incidents of 21st February. Some of the students and teachers participated in programme and they performed very well. On this day through this entire programme our college students and teachers paid homage to our mother language.

Basanta Utsab:-The beautiful tradition of celebrating spring festival in Bengal was first started by Nobel laureate Rabindranath Tagore at santiniketan, ‘Basanta Utasav’ (Celebration of spring) was observed by the students and a colourful programme was held at our hall room on 28th March, 20224. On that day Students dressed in yellow (basanti) colour and performed dance ‘Ore grihabasi’ (a song of Rabindranath Tagore) , song , and poetry, welcome spring – the season of hope, in a very elegant manner.

Rabindra Jayanti :- On 9th May 2024 , the students and teachers and non teaching staff of our college celebrated Rabindra Jayanti to mark the birth anniversary of the greate Bengali poet, scholar, novelist, play write , philosopher- Gurudev Rabindranath Tagore. This year is the 163 birth anniversary. This day also popularly called “ Pochishe Boishakh” since it is the 25th day of the Bengali month of Boishakh. Our students enthusiastically presented songs, dance, drama, painting etc. The programme was ended through national anthem.

Internship Programme

In B.Ed. programme four months of practice teaching is carried out in different schools, this year (2023 – 20224) it was organised in twelve schools. Each student has to deliver a lesson plan in a day which was

evaluated by the teacher educator. The feedback is provided to the students on the lesson plan register. Teaching is aided with working models and effective teaching aids. They are guided to prepare various teaching aids so that the lesson can be made interesting for all the students. Our 2022 – 2024 batch students completed their practice teaching gloriously. In D.El.Ed. Programme 1st year students complete school based activity and 2nd year students complete internship of 40 working days in government primary/junior school. The motive of internship is to provide in hand experience in practical situation. The Internship program helps the prospective teacher's trainee to understand the academic situation from the viewpoint of the school and problems related to basic education. In every semester, trainees of D.El.Ed. Programme completed some assignment, projects, prepared presentation and develops TLM like chart, poster, model etc. to enhance their teaching efficiency.

School Involved in B.Ed. Programme

Sl. No.	Name of the Schools
1	Green Park Shiksha sadan High School (H.S.)
2	Hasanpur ,bidyadharpur Jr. school
3	Rajpur padmamani girls high school
4	Kalikapur Ramkamal Vidyapith (H.S.)
5	Rajpur vidyanidhi high school
6	Adirabad junior high school
7	Mahamayapur Adarsha Vidyapith (H.S.)
8	Melia Raicharan Vidyapith (H.S.)
9	Arapanch junior high school
10	Tentulberia Anukul Chandra Vidyapith (H.S.)
11	Tegharia vidyapith
12	Kusumba high school

School Involved in D.El.Ed. Programme

6	Adirabad Junior High School
7	Arapanch Junior High School
8	Vidyasagar F.P

Evaluation

Through the unit test, quiz competition, extempore debate and internal individual seminar presentation and we always follow CCE for progressive evaluation. In the college, we use to hold test and internal examination before the final external examination, micro and macro teaching skills are also evaluated. The affiliating university BSAEU in consultation with UGC supposed to hold only final semester examination 2021-2023 in August 2023. The affiliating board WBBPE to hold only final year examination 2021-2023 in 2023. Beside, other co-curricular activities and attendance of the students are also evaluated.
